Sample Cover Page for Writing Sample

Please note:
- When choosing your writing sample, keep in mind that it should be your best writing. The paper should be persuasive, argumentative, and analytical. A writing sample should be approximately 4-20 pages in length.
- Blue book citation is a plus, but not necessary. If you use ALWD, you might want to explain that this is the format that Loyola Law School uses.
- You might also want to explain if the sample is your writing alone, or if it has been edited by another.
- Be sure to carefully proofread your writing sample and cover sheet.
